

POYNETTE PANTHER YOUTH WRESTLING CLUB

Equipment Agreement

All wrestlers are expected to have wrestling shoes and head gear for practice, and wear a club competition singlet for tournaments. Club singlets will be provided to all wrestlers. The club has a limited supply of head gear and wrestling shoes that will be loaned out on a first-come, first-serve basis. A security deposit of \$100 per wrestler is required for any/all equipment borrowed from the club.

Singlet pick-up and equipment check-out will occur during the Parent Meeting.

I understand the team competition singlet is for tournament use only; it is to be washed in cold and hung dry. I understand that the singlet and other loaned equipment need to be returned clean on the designated equipment return date or the \$100 deposit will be cashed.
